MINUTES
REGULAR CITY COUNCIL MEETING – Thursday, July 18th, 2024

1. The Mountain Home City Council met in regular session on July 18, 2024, in the Council Chambers of the Municipal Building. Mayor Hillrey Adams called the meeting to order at 5 p.m.
2. **CITY OFFICIALS IN ATTENDANCE** Mayor Hillrey Adams, City Clerk Scott Liles, City Attorney Roger Morgan, Planning Director Arnold Knox, Police Chief Eddie Griffin, Fire Chief Kris Quick, and Parks Director Daniel Baxley.
3. **MEDIA IN ATTENDANCE** Caroline Spears of the Baxter Bulletin.
4. **ROLL CALL** Following the Pledge of Allegiance and an invocation, the following Council members were present for the roll call: Susan Stockton, Jennifer Baker, Wayne Almond, Paige Evans, Carry Manuel, Jim Bodenhamer and Nick Reed. Council member Bob Van Haaren was absent.
5. **APPROVAL OF THE JUNE 20th MINUTES** Council member Jennifer Baker made a motion to approve the minutes from the Council's June 20th meeting. Council member Susan Stockton seconded the motion. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The motion carried, and the June 20th minutes were adopted.*
6. **RECOGNITION OF PARKS EMPLOYEES** Before getting into the meeting's New Business, Mayor Hillrey Adams wished to take a moment to recognize Parks Department employees Rosie Harris and Andy Willet for recently graduating from North Arkansas College in Harrison with their Associate of Applied Science degrees in turf management. The Parks employees attended classes on their own time and completed 288 hours of class time to earn their degrees. Grants were used to fund the pair's tuition, meaning the City was not out any expense on the expanding the employees' education. Parks Director Daniel Baxley presented Harris and Willet with plaques noting their associate's degrees and added that the Department has three more employees enrolled in the turn management program at NAC that start classes in August.
7. **MOUNTAIN HOME PARKS OUTDOORS FOCUS GROUP** Parks Director Daniel Baxley also introduced the members of the Mountain Home Parks outdoors focus group to the City Council. One of the grants that the Parks Department is currently applying for gives extra consideration if the City has a focus group to help the City envision its long-term plans for its outdoors area and parks, so the City has assembled Thomas Chilton (District 2 fisheries supervisor for the Arkansas Game & Fish Commission), Heather Pitman (facility manager for the Fred Berry Conservation Center), Larry Forrester (volunteer from the CAST for Kids event) and Patty Lueken (North Arkansas Fly Fishing Association president) from the community to serve on the outdoors focus group. Council member Susan Stockton has

volunteered to serve as the Council's representative on the group, which will meet once a month through the lifetime of the grant.

8. NEW BUSINESS

DISCUSSION ON OPIOID SETTLEMENT WITH KROGER COMPANY City Attorney Roger Morgan introduced this item to the Council, which involved a possible settlement agreement between numerous municipalities and the Kroger grocery chain over ongoing opioid lawsuits. The proposed settlement would be nationwide, and the Arkansas Municipal League recommends that cities agree to participate in the settlement. Under the settlement, damages would be awarded based on how cities in each state may participate. Morgan said that no one was sure exactly how much money the City would receive in the agreement, but that any money would be beneficial. Council member Jennifer Baker made a motion to allow the mayor to sign the settlement agreement on behalf of the City and was seconded by Council member Jim Bodenhamer. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The motion carried, and the Mayor was allowed to sign on to the settlement on behalf of the City.*

A RESOLUTION IN SUPPORT OF THE EFFORTS BY THE ARKANSAS GAME & FISH COMMISSION TO RENAME A PORTION OF W. 7TH STREET "NATURAL RESOURCES WAY"

If approved, this Resolution would express the City's support in the Arkansas Game & Fish Commission's desire to rename part of W. 7th Street to "Natural Resources Drive" like several other AGFC offices around the state, including the department's headquarters in Little Rock. The portion of W. 7th Street to be renamed would begin at the interception of Main Street and W. 7th Street and continue west until the street becomes Crescent Street behind the current Mountain Home Police Department building/soon-to-be Arkansas Game & Fish Commission office. Mayor Hillrey Adams noted that the Postal Service and Baxter County 911 would continue to use W. 7th Street as a "ghost address" so that mail service would not be disrupted by the name change. Council member Carry Manuel made a motion to adopt the Resolution and was seconded by Council member Susan Stockton. *The vote was recorded as follows: Yes – Susan Stockton, Wayne Almond, Paige Evans, Carry Manuel, Jim Bodenhamer and Nick Reed, No – Jennifer Baker, Absent – Bob Van Haaren. The Resolution was declared adopted and numbered Resolution No. 2024-18.*

AN ORDINANCE AMENDING THE CONTRACTED WATER RATES BETWEEN THE CITY OF MOUNTAIN HOME WATER DEPARTMENT AND WHOLESALE PURCHASERS, AS OUTLINED IN ORDINANCE NO. 599 SECTION 8 AS AMENDED BY ORDINANCE NO. 01-21, 03-12, 2005-42, 2006-28, 2007-24, 2008-21, 2009-13, 2010-22, 2011-10, 2012-6, 2013-7, 2014-11, 2016-13, 2019-28, 2020-32, 2021-21, 2022-25, 2023-31

If approved, this Ordinance would adjust the amount the City charges to its wholesale water customers, which include the Northeast Lakeside Water Authority and the Midway/Lakeview Water Authority. The cities of Gassville and Cotter, while not regular wholesale customers, are also able to purchase water from Mountain Home in the event of an emergency. The City's wholesale water rate contract allows for a yearly review and price adjustment based on the operation expenses of delivering water to customers. The proposed increases would NOT

affect customers of the municipal water system, just the wholesale customers. City Attorney Roger Morgan placed the proposed Ordinance on its first reading in its entirety.

SECOND READING After the item's first reading, Council member Jennifer Baker made a motion to suspend the rules and place the item on its second reading by title only. Council member Nick Reed seconded that motion. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The motion carried and the proposed Ordinance was read a second time.*

THIRD READING Following the second reading, Council member Jennifer Baker made a motion to suspend the rules and place the item on its third reading by title only and drew a second from Council member Nick Reed. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The motion carried and the proposed Ordinance was read a third time.*

ADOPTION Following the item's third reading, Council member Jennifer Baker made a motion to adopt the proposed Ordinance and was seconded by Council member Susan Stockton. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The Ordinance was declared adopted and numbered Ordinance No. 2024-12.*

EMERGENCY CLAUSE Following the adoption of Ordinance No. 2024-12, Council member Jennifer Baker made a motion to attach the City's Emergency Clause to the item so that it immediately went into effect. Council member Nick Reed seconded that motion. *The vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren. The motion carried and the Emergency Clause was adopted for Ordinance No. 2024-12.*

ANNOUNCEMENT ON CLEANUP ORDINANCE ADDRESSING STREET CONSTRUCTION, TAXI CAB FRANCHISE AND PUBLIC FACILITIES BOARD City Clerk Scott Liles announced publicly that next meeting the Council will consider a cleanup Ordinance repealing three different sections of City Code. Those entries involve a nonexistent Public Facilities Board, an inactive taxicab franchise and language addressing street construction. Liles said he has presented the proposed Ordinance to various Council members through committee meetings, but since the Council had no established committee to specifically consider such legislation, he wished to announce the Ordinance publicly. Anyone interested in learning more about the Code sections to be repealed was encouraged to reach out to the City Clerk's office.

RESULTS OF FUNDRAISERS TO HELP TORNADO VICTIMS Mayor Hillrey Adams reported that the two local fundraisers held on July 12 to help victims of the May tornadoes raised between \$75,000 and \$80,000. A total of 1,000 smoked chickens were sold at the lunchtime fundraiser, and almost 400 pork steaks were sold at the dinnertime fundraiser/auction. Families affected by the tornado are encouraged to visit the Food Bank of North Central Arkansas by August 9th to complete an application for financial assistance. The funds will first be used to help non- or under-insured area residents.

9. ADJOURNMENT

With no further business to come before the council, Council member Susan Stockton made a motion to adjourn the meeting and drew a second from Council member Nick Reed. *A voice vote was recorded as follows: Yes – All present, Absent – Bob Van Haaren.* The motion carried, and *Mayor Hillrey Adams then declared the meeting adjourned at 5:25 p.m.*

HILLREY ADAMS, MAYOR

ATTEST:

SCOTT LILES, CITY CLERK

Street Committee Meeting
July 16, 2024 – 12:30 p.m.

The meeting was called to order at 12:30 p.m.

Present were Scott Manchester, Assistant Director of Streets; Jim Bodenhamer, Susan Stockton, Paige Evans and Jennifer Baker, Committee members; and Scott Liles, City Clerk.

Also attending were Deborah and Jackie Edmonds, residents of W. 7th Street in Mountain Home. They previously voiced their concern to Jim about the proposed renaming of their street. Jim invited them to speak to the rest of the Committee about this issue. Ms. Edmonds told the Committee she had been offended that nobody came to speak with her, and she had read in the paper the City Council was going to change the name of W. 7th Street to Natural Resources Way at the meeting on July 18. She told the Committee the Mayor had mentioned it to her husband, Jackie, but he hadn't spoken to her about it. She told the Committee, this street has been W. 7th Street since approximately February 20, 1948. She has concerns about the work involved to change an address, the man hours that must be spent, and she understands there are mostly businesses on this street, and it is a tourist district also. She said there are flyers, business cards these places may have stocked which the address will have to be changed or reprinted. She continued, credit cards, insurance cards, etc. come in the mail. She said she spoke with the post office about the process of changing a street name; the man she spoke with said it was pretty easy once it

got into the system but couldn't tell her *how long* it would take to get into the system. Jennifer asked where it would be named from, Jim said from Main Street (62B) to the police station. Ms. Edmonds said it would go just past her house, which was Crescent Drive. She said she spoke to her neighbors, and they had not been notified of this change either. There was a lengthy discussion along with options between the Committee and the Edmonds', and Jim invited them to attend the Council Meeting on Thursday, July 18th, to voice their concerns, since it is on the agenda for Thursday's meeting.

The Street Report for June 2024 was reviewed.

Scott reported the steel for the gymnasium at the Community Center has been delivered, concrete is being poured on the gym floor today. The contractors are digging the pools out at this time. He said the total amount spent after the \$283,144.09 reimbursement from General is at \$1,054,212.83. Jennifer asked if we were done out there; Scott said at this time, we are working on the retention pond in the back. She asked what all the Street Department did out there. The building pads were built by the street department, which includes the gymnasium, the Community Center building, the pools; the footings for all buildings and pools; basically, all the dirt work and the parking lots were built, so all workers have somewhere to park vehicles and materials. He added, there parking lots and a road that goes all the way around, but that will be later.

Both North Church Street and Morris Street have been completed at a cost of \$184,811.25 and \$151,738.71, respectively.

The sidewalks, curb and guttering and landscaping has been completed at E. 6th Street. The Maintenance crew is over there digging out to prepare for new asphalt. There are a lot of utilities to dig around, so it is taking longer. The total cost to date at E. 6th Street is \$193,804.66.

The cost of the new Fire Department building is \$253,054.34. This total does not include the cost of dirt work and filling in at that location. The amount of \$71,869.17 had been previously reimbursed to the Street Department for work 11/2/2020 through 3/30/2023. Total cost including the past paid amount is \$324,923.51.

The brush collection from the storm at the end of May has been completed at a cost of \$111,894.72. Crews picked up 385 loads of brush totaling 2,584 cubic yards. The total cost that will be reported to FEMA, between street, parks and water/sewer is \$140,025.70. The City will be reimbursed 75% of this cost from FEMA.

Maintenance for the month of June totaled \$41,657.40.

Scott reported the traffic light at 6th and Main St. is up and running.

The Budget looks good with no changes needed.

The Street Department received three new ½ ton trucks this week, and the two new dump trucks that were ordered are scheduled to be received in November.

Two employees on one crew have left; one returned to Colorado due to a family emergency, the other has gone back to school. There will be two new employees starting soon, Scott reported.

Susan mentioned the Computer Operating Expense line item in the Budget was over and it was discussed this was due to the software licenses at the beginning of the year. That will be adjusted with money transferred from another line item.

Scott also reported, after discussion with Arnold, the intersection of 1st Street and Leatherwood will be changed to a 4-way stop. Currently, the intersection is a 2-way stop with signs on 1st Street. There is through traffic on Leatherwood, and it needs to be made a 4-way with the current amount of traffic at that location. Susan said that will really help.

Scott Liles reported some changes to the Municipal Code and what was required.

The meeting was adjourned at 1:05 p.m.
